Trip To India

Pastor Danquah travelled to India in February and reported that it was a very successful tour. He had been invited to India many times for the last decade but the Lord placed it on his heart that this was the right time to go. He baptized five people, who converted from Sikhism, after his sermons and officiated a wedding, which also provided the opportunity for him to minister to others. Pastor Danquah recalls that it was a very long trip, but it was a blessing and he hopes to visit the country again. To the right, are pictorial highlights from the baptism.
